

CLARK COUNTY ELITE TRAVEL TENNIS TEAM

Join us for a weekend of tennis in West Virginia. You will play numerous matches against top-level players from around the region. Singles and doubles will be played. This is the type of summer event that the best players use to reach the next level and can help Clark County tennis players to elevate their game.

In addition to playing tennis, there are social events planned for the players. The team can choose other events and attractions to enjoy in the area.

The hotel lodging is paid for by USTA and the players will be asked to help pay for food, transportation, and t-shirts. You will room with other players. Last year some parents chose to travel with the team and also had a great time.
